Dear Pam,

Here is the list of people I have invited to the Bass Hall reception. Some of them are Museum and Zoo people and should not have to pay. It would be very helpful if their names would be recorded at your reception table at the door and if you could send me twenty-five more tickets by Federal Express. Although some of them have responded to me personally, I tried to make it clear that they were to inform your Austin office if they were coming. I do not want any of them embarrassed at the door since it has been very difficult for the right hand of this project to keep the left hand informed of their thoughts and decisions.
