Dear Pamela,

I am delighted to tell you that we have booked *Of Birds and Texas Exhibit: Selected Paintings from the Gentling Collection*. We are so excited about it. I just don't think I can wait until January 7, 2000. That sounds a long way off. I know time flies, however.

Thank you so much for your help in getting us this show. If there is anything you can do publicity-wise to help us get the message out that we have this wonderful exhibit, we would appreciate it. If you are ever up in Northeast Texas come see us. We would love to show you our fabulous museum.

Cordially,

Susan
