Dear Stuart:

Thank you for reviewing our fax of Shannon Davies invoice and contract. This is to confirm that you approve her contract and invoice. The contract has now been signed by me and will be forwarded to National Audubon Society for finalization. Once this occurs, Ms. Davies invoice will be paid.

Also, I would like to follow up on the logistics for our upcoming meeting in New York City with Clare Tully and Lisa Gosselin. Betsy Hax will make hotel accommodations for a Sunday night stay at the Gramercy Hotel. Our meeting will be at the National Audubon Society office: 700 Broadway, NY, NY 10003 at noon on July 12, 1999. I will be flying up to New York on Friday evening or Saturday morning, so we will not be flying in together. Audubon will cover your hotel accommodation but you are responsible for your flight arrangements.

If you have any questions or need more information, please contact me by phone (512) 306-0225.

Sincerely,

Catriona Glazebrook,
Executive Director
