Dear Theresa,

Here are the cost estimates for a trade edition of "Of Birds and Trees" as compiled by Shannon Doreis. If you have any questions, please feel free to call her as she will be helping me with the book.

I will be going to New York on Saturday (will return Tuesday). I brought ^{home} my copy of the mock-up of the book back with me - the book containing my recent essay "Of Birds and Trees, Audubon and Us." I can't remember if I left you with a copy of that essay so will send you another.

Again, I want to thank you and everyone I met at U.T. Press on the 28th for giving our project a hearing. I really enjoyed myself!

Sincerely,
 Stuart A. Mittleman
