Dear Stuart:

Thank you for your good letter telling me about your decision to give us the opportunity to publish *Of Birds and Texas* in a trade edition here at the University of Texas Press. We are all delighted by your decision, and we look forward to producing a handsome book that will do justice to your paintings and stay in print for many years.

As you may have gathered, we were thrilled by what we saw of your collaborative work. We regard this book as a major project for the Press, and we hope it will mark the beginning of an ongoing publishing relationship. Theresa is keeping me posted as plans progress.

With best wishes,
Yours sincerely,

Joanna Hitchcock
