Re: UPDATE: Of Birds and Texas

Dear Stuart,

I have just received the contract for the book from Theresa. I have a couple of questions to clear up with her, after which I'll forward it on to you and you two can read the terms and sign it if all looks okay.

I have written to John Graves, and Theresa is going to let us know when she has her reader's review in hand.

I'll be back in touch soon!
