Gentlemen,

On March 5 I attended the Gala for the Texas Audubon Society Centennial celebration. I signed for a print of Green Jays. I have not heard from anyone yet, and I have called the number on the flyer with out response.

I am sending this with payment for one print in order to save confusion.

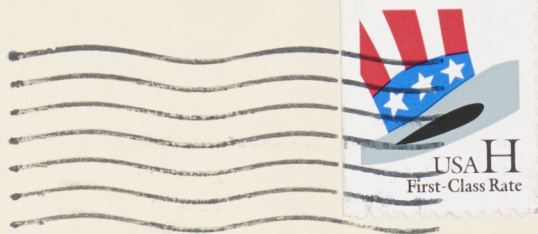

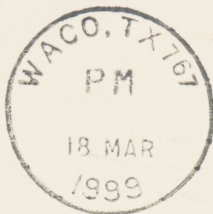

Thank you,

Nada Wareham

P.S.

I would like to have more information about the Artist's Copy of the book Of Birds and Texas if available.
