Bidding Information

Auction Closes At: 12:56:00 12/08/2003
Time Remaining: 1 Day(s) 20 Hour(s) 37 min(s)
Lot# & Name: 088. Aztec Seated Chalchiuhtlicue
Estimate: \$18,000.00
Buy Now Price: \$9,000.00
Current High Bid: \$5,500.00

The first bid received at the Buy Now Price will instantly win the lot. If the Buy Now Price is not reached by the end of the auction, only the highest bid received will be negotiated with the consignor.

Category: Pre-Columbian Art
Sub Category: Mexico - Post Classic Periods
Culture or Country: Valley of Mexico.
Period: Ca. 1350-1520 A.D.
Size: 6-1/4"H.

Description: Superbly carved, gray volcanic/basaltic stone sculpture, depicting the water deity having a drilled cavity in chest and wearing a quechquemilt fringed with tassels and a long skirt. Seated on bent legs, feet turned inwards, visible on base, hollow eye socket. Loss to right foot and right ear spool, otherwise intact, having traces of red pigment. Excellent surface quality. A very high quality example of Aztec art.

Provenance: Published: University of Virginia Art Museum, Hasso von Winning, 1986, #118. Exhibited and published: The Bruce Museum, Greenwich, CT, 1994-95. John Platt/Daniel M. Friedenberg collection.

Shipping Fee: National: \$25.00
International: \$90.00
