Dear Friends:

It gave me a great pleasure to "visit" with you, and to have the opportunity to admire your magnificent art (as well as the one of your sister)!

I sincerely hope that your exhibit can be presented in Mexico in the very near future. I think that we should consider to pursuit the "LOZOYA CONECTION".

On the other hand I would like to reiterate my invitation for you to become members of the Advisory Board of the Society of Friends of the Mexican Culture; It will be an honor for us. As well perhaps you would considered to give a Conference to the members of the Society, sometime at the begining of November.

I will get in touch with you to discuss the above mentioned subjects and perhaps, to organize a luncheon.

Very truly yours,

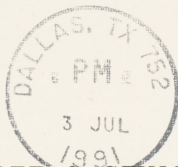

Oliver
