Dear Mr. Gentling:

The photos and book arrived this morning. Thank you.

Just for the record, here is what was in the box:

- * 45 slides (35mm)
 - 23 numbered
 - 7 lettered
 - 15 others (Cholula, Tula, etc.)
- * 16 prints
- * one book, "Warriors of the Ancient Americas"

You did not say anything about reproduction fees. What do you charge for using a color image? A black & white image?

Also, should we reproduce directly from the slides? Or would you send other (larger?) transparencies for reproduction purposes? Some of the slides appear to be taken from books, so that the page fold is visible. Are transparencies suitable for reproduction available if needed?

Thank you again for sending these. I will return everything to you as soon as we have made our selections and finished the technical production. I will also send you a copy of the finished book.

Sincerely,

Martin Raish
