Dear Friends:

I thought you might enjoy looking over a preliminary and partial copy of the 1987 TSHA auction catalogue since you have participated in the auction for the past few years. Additional items will be added to the final list but this will give you a good idea of the quality material we will be offering at this year's auction in Galveston. We are extremely grateful to the donors for their contributions and to the auction committee--Dorothy Sloan, Tom Munnerlyn and Jenkins Garrett--for their hard work. Thank you.

I look forward to seeing you in Galveston the first weekend in March.

Sincerely,

Ron Tyler
