

I would like plans and/or patterns of double breasted waistcoats something like those below only around the ~~early~~ era of 1790-95

(P. 699 - N° 1896) XVIII - XIXc 1785 - 1805
ITALIAN, Venice - Doublebreasted
from
THE Book of Costume
MILLIA DAVENPORT ©

(P. 699 - N° 1897)
French c. 1800
~~the~~

* NOTE if you have this book by Davenport, the suit worn by Bertrand Barère de Vieuzac (P. 715 N° 1990) in the Portrait of him by David is the style of suit, waistcoat, cravat etc, that I wish to duplicate, but any patterns similar in style will do.
